

The passed 2 nights that we have spent together have been absolutely, positively, wonderful! If we could just stay like this forever and never fight that would be absolutely WONDERFUL! I have decided though your right bout not getting back together right now because until you go back to school I don't want you back!

I just want you to know how perfect those passed 2 nights were they were perfect! It's sorry that I couldn't help you out last night but I really do need to thank you big fella, or should I say little because you are well I don't know how to spell that word! Friday or I mean Saturday morning at our own little spot I was, I don't know how to explain it, but it was like that same old feeling came rushing back in again! You are so very wonderful to me I love you with every ~~one~~ bit of my heart I just hope that it stays this way forever!! Well I guess that I could be going I know that you don't want to hear all this bull! I mean every word of it though. Before I go I just wanted you to know that last night was, well lets just say I forgot how good you were!

Hey Laby! I thought that I would start writing you now because there is so much that I have to say to you and it is going to take me 4-ever to write it all down. There are so many things that I want to share with you, all of this happiness that I am feeling! You just don't know how very, very, very, very much I LOVE YOU with every beat of my heart! I can't believe that I spent 5 MON. with out your beautiful, lovely, beautiful, face. You are more precious to me then words could ever explain. This whole time I've been looking for you, right and I lost him 5mon. ago!

I just want you to know that I am SO Sorry & every thing I've ever done to you and I want to start every thing over, I don't want to have what you did and I want to mention what went on in my 5mon. Oh because all it's going to do is start a fight and I love to fight and I'm not going to quit! Good, now that we've settled that. Well I have to stop for a moment because there is something that I truly need to tell you!!!
